

"Educating the mind without educating the heart is no education at all."
~ Aristotle

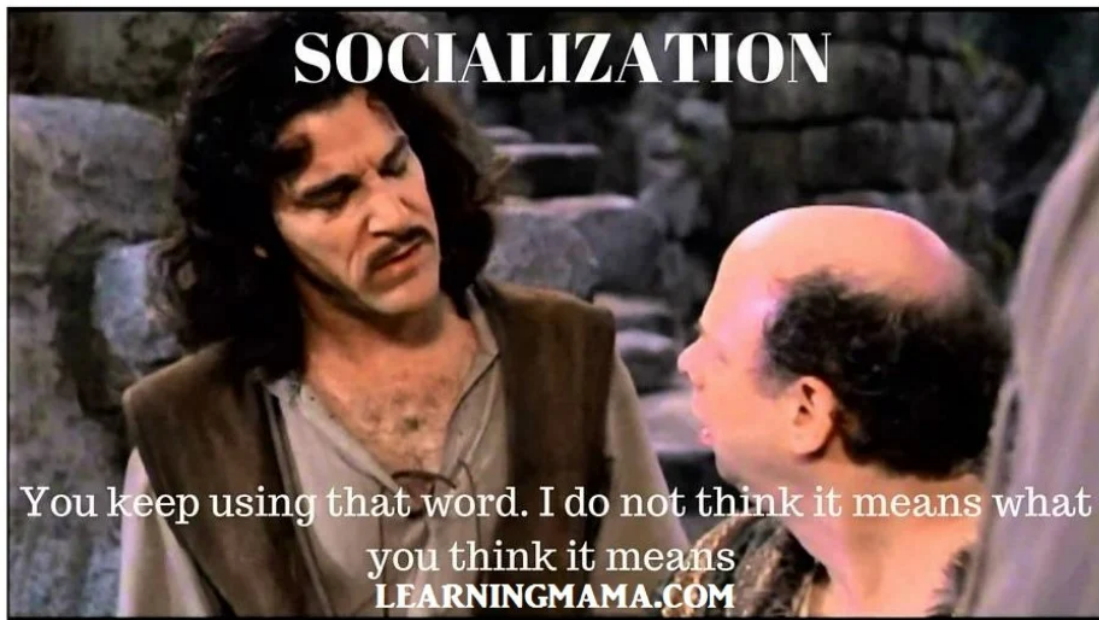

Dear THSC Friend,

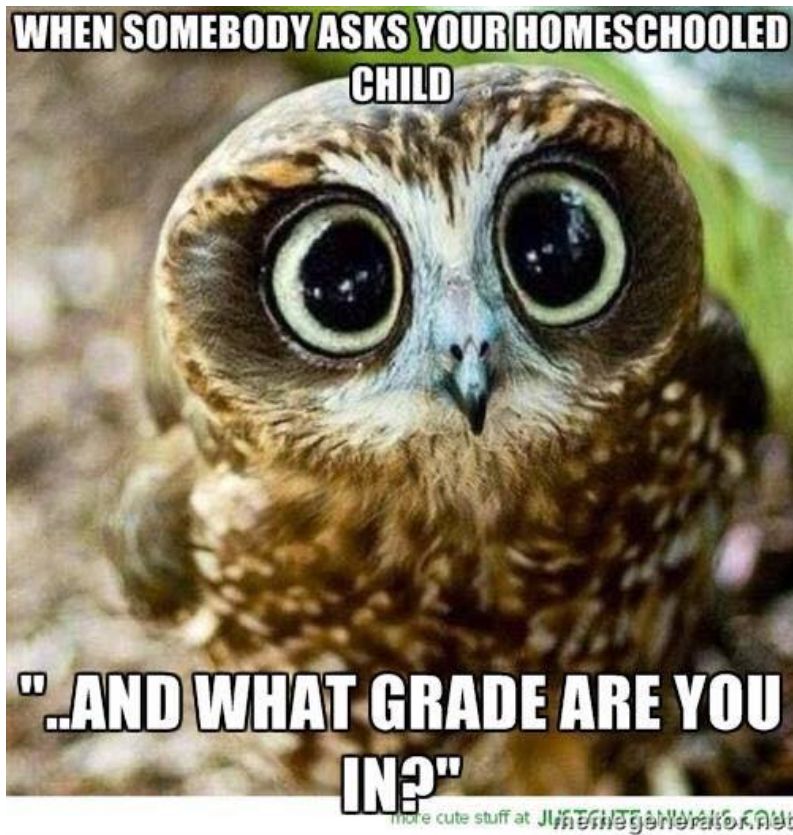

As we gear up for the new semester to start up again - how summer is over already?! - I thought you might need a few laughs before hunkering down into that brand-new curriculum.

Sometimes humor can be a tool for motivation and to help us remember why we jumped onto this homeschool boat in the first place!

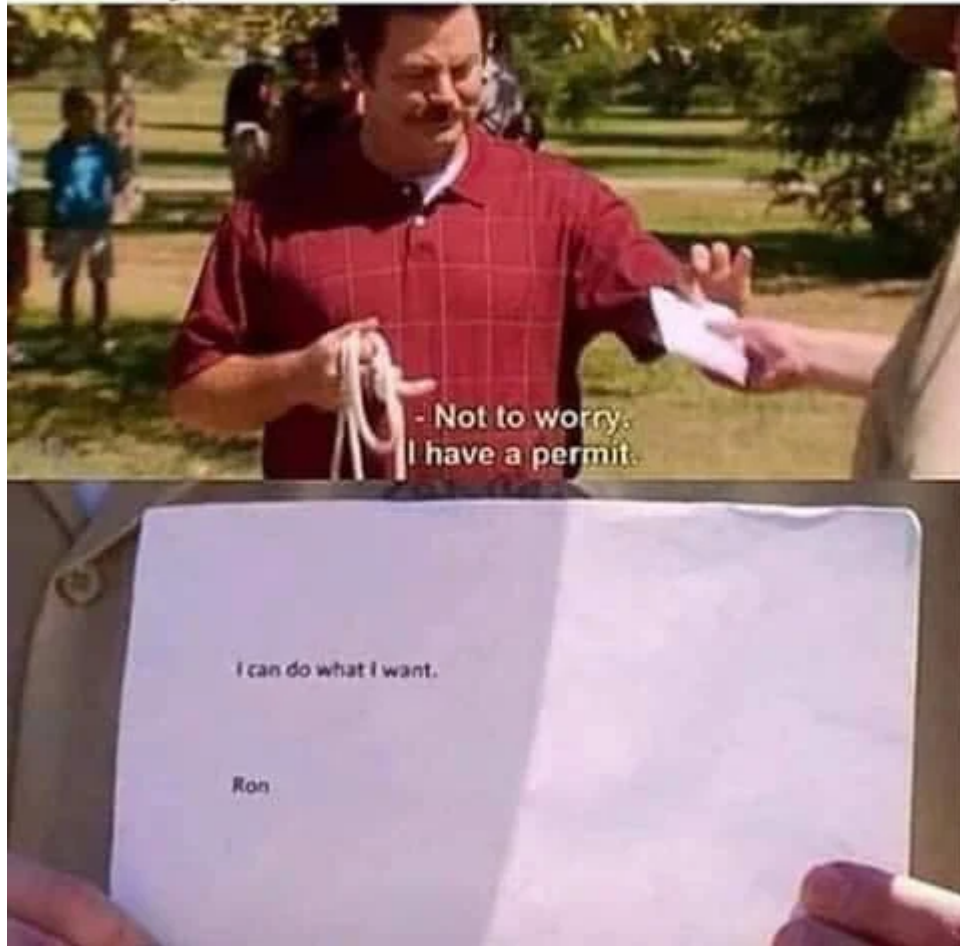

Besides, while it's annoying with *other* people make fun of homeschooling, it's totally okay if we laugh at ourselves a little bit sometimes, right?

Enjoy...
